

The beautiful Adult Chapel of Grace Chapel Parish Jacksonville, Florida, was designed by Mr. Harold F. Saxelbye, in consultation with Wipperfurth of London, England. When completely appointed it will be a treasure of Spanish Mission architecture.

Charlie dear, so many thanks for your
welcome. Though quite unnecessary
congratulations for Jan. 22. (While
dorstime go now it's so precious)
Now (on Jan. 15) I really have come
for congratulation. Our first
grandson - born to Kathy and Jack
in London. They want me to spend
May with them in London and I
hope to. Meanwhile I'm visiting
Ollie and Ray here in Tex for a
week - and have come down
with the flu which I'd hoped to avoid.
What is your Abingdon Press book
about? And the new one? When I will be in Europe? Do
